

## Patient Feedback Information

WACA (Wharfedale, Airedale, Craven Alliance) help to provide and manage services on behalf of our GP member practices. We are always looking for ways to improve these services and to do this effectively we need to know what you think. Tell us what we do best, where we don't meet your expectations plus any ideas and suggestions you may have. Only by listening to you can we continue to build and improve upon the services we offer.

### The services we help to provide and manage include:

- Enhanced Access
- Social Prescribers and Adult, Children and Young Person's Mental Health Coaches
- First Contact Physio's
- Pharmacy Services
- Community support groups (e.g Menopause Support Groups and Community Health Check Clinics)

### WACA Complaints Procedure:

If you have a complaint about the service you have received from a member of staff working in any of our services please request a feedback form from the Surgery or visit [www.wacalliance.co.uk](http://www.wacalliance.co.uk) to download it.

We operate a complaint's procedure as part of the NHS system that meets national criteria.

**Note:** If you make a complaint, it is the WACA network policy to ensure you are not discriminated against, or subjected to any negative effect on your care, treatment or support.

### How To Complain:

In the first instance, please discuss your complaint with the staff member concerned.

Where the issue cannot be resolved at this stage, please email [hello@wacalliance.co.uk](mailto:hello@wacalliance.co.uk) and mark for the attention of the 'Business Manager' who will try to resolve the issue and offer you further advice on the complaint's procedure. If your problem cannot be resolved at this stage and you wish to make a formal complaint, please let us know as soon as possible in order that we can get a clear picture of the circumstances surrounding the complaint.

If it is not possible to raise your complaint immediately, please let us have details of your complaint within the following timescales:

- Within 12 months of the incident that caused the problem
- OR**
- Within 12 months from when the complaint comes to your notice

We will acknowledge your complaint within **three working days** and we will arrange a meeting with you to discuss the complaint, to agree with you how the complaint is going to be investigated and the timescale for this to be completed.

We will aim to:

- Ascertain the full circumstances of the complaint
- Make arrangements for you to discuss the problem with those concerned, if you would like this
- Make sure you receive an apology, where this is appropriate
- Identify what the practice can do to make sure the problem does not happen again

## **Complaining On Behalf Of Someone Else:**

Please note that WACA keeps strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, the practice needs to know that you have their permission to do so. A note signed by the person concerned will be required, unless they are incapable of providing this due to illness or disability.
